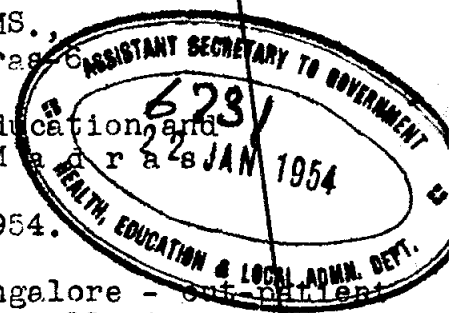
Medical Department

From

Lt-Col. Sangham Lal, MBBS., FRCS., DOMS.,
Director of Medical Services, Madras-6.

To

The Secretary to Government, Health Education and
Local Administration Department, Madras.



Ref.No.108784 M/53, dated 21-1-1954.

Sir,

Sub: E.I. - Headquarters Hospital, Mangalore - out-patient block -provision of Electrical Installation - plans and estimates for Rs.24,250/- submitted for sanction.

I forward herewith for the administrative approval of Government plans and estimates amounting to Rs.24,250/- for the provision of Electrical Installation to out-patient block of the Headquarters Hospital, Mangalore received from the Executive Engineer, South Kanara Division, Mangalore. Specific sanction of Government may also be issued for the provision of fans for which a sum of Rs.11,820/- has been made in the estimate.

Yours faithfully,

for Director of Medical Services.

From the D.M.S. No. 108384/A/53 dt. 21-1-54
Buildings - Govt. Headquarters Hospital, Kenpelon - O.P. Block - Electrical installation.

The D.M.S. has submitted plans and estimate amounting to Rs. 26,250/- for the provision of electrical installations to the out-patient block of the Govt. Headquarters Hospital, Kenpelon. The letter of D.M.S. and the plans & estimates below may be perused. The estimate may be approved.

The remarks of P.W. dept. and Finance dept. may be invited to

5/1/54.

25/1/54

P.W. (C-1)

Note of H.E.L.A. ~~at~~ aforesaid, the letter of D.M.S. at p.1 c.f. and the Blue Prints at (R) may be perused. The proposal in this case relates to the provision of electrical installation including ceiling fans in the Out-patients Block of the H.Q. Hospital, Mangalore. It is observed from the blue prints that provision of ceiling fans has been mad

for the use of N.G.Os viz. Nurses Duty Rooms, Nurses' Common room, and other rooms where medical apparatus are to be stored. At present there is a Ban on the provision of fans to N.G.Os both in residential and non-residential buildings. In view of the present financial stringency and the need to set up austerity standards this department may suggest that the scale of fans proposed for the hospital may be reduced to ~~x~~ 45 including four exhaust fans as indicated in the statement at (A).

2. According to G.O.Ms.2633, P.W. dated 19-6-1953 proposals for electrification of Govt. buildings should be considered only in the case of urgent and essential schemes. As the electrical installation in this case is for a hospital, it seems that the proposal can be treated as urgent and essential. Hospital agreed to.

3. There is provision of Rs.72,500/- in the main estimate approved in G.O.3773, P.W. dated 9-10-50 for ~~the~~ electric, sanitary and water supply fittings out of which a sum of Rs.25,000/- is required ~~about~~ apart for providing electrical installation including fans. No fresh financial sanction is therefore necessary in this case, as the expenditure will be met from the main estimate. The proposal has come up to Government as specific sanction of Govt. is necessary for the provision of fans. This department may agree to the proposal subject to the modifications suggested and indicated in the statement at (A). Orders may be taken in circulation including those of M (W) for the approval of the proposal.

4. With the above remarks the file may be passed
